Dear NAIS PINTA ADETYA,

You can access the galley proof of your paper (in pdf form) at the web address given below. Please upload your corrections to our online system in one of the following ways (typesetting and editing errors will be corrected; authors are not permitted to make changes or corrections that constitute departures from the paper that was accepted by the editor):

1. Make changes on the pdf file electronically (making sure that the changes are visible) and upload it,
2. Print out the pdf file of your manuscript, make the changes on paper in pen, scan it (in pdf or jpeg format), and then upload it.

Please note that if we do not hear from you within 15 days regarding whether corrections are necessary or not, your submission will be cancelled.

Yours sincerely,

AHMET GÜL
Editor-in-Chief
