To: "rofiatun" &lt;rofiatun@kemenperin.go.id&gt;

Dear Ms. Rofiatun,

Thank you for your email and we have received your abstract which has been submitted via email.

We will upload it to Electronic Submission System (ESS) but we need your help, too.

1. Please create account in Electronic Submission System (ESS) through registering first. This ESS can be found in the top corner in our website.

2. What is the topic for your paper? There are six topic in this conference, please choose one.

3. What is the sub topic for your paper? Each topic has more than one topics, so please choose for your paper.

4. There are two ways to deliver the presentation, oral and poster presentation. Which one do you prefer?

Please let us know about this very soon, so

Dear Sustain Secretariat,

So sorry to inform you that we face technical problem with our English version research report.

The file is corrupted and we cannot open it. All we have is just the Indonesian version.

We will try to send it on 17th after we fix it.

Again, so sorry and thank you for your attention.

Sincerely,  
Rofi

Dear author,

Paper Code: EnE-27,

Thank you for sending your full paper to be presented at "The 5th International Conference on Sustainable Future for Human Security (SUSTAIN) 2014."

This academic conference will be held between November 19 - 21, 2014 at Sanur Paradise Plaza Hotel & Suites, Bali, Indonesia.

This is the invoice for your participation at the Sustain 2014. The payment is for individual payment. Therefore, should the paper you have sent was authored by more than one person, please make the payment for one main author and listener(s).

Attached you will find a registration form and payment information of Sustain 2014. Please include your name and paper code number on all payments to avoid unrecognized payment. You are also expected to send the proof of payment ( in .pdf or .jpeg), Registration Form and the copy
